

WISHING WELL 2

March 20, 2019

Session Notes Taken From Skype Recording

Let **Equanimity** have its way with us. We wind up in a place of **Peace...Jeru-shalom** (Hebrew for Peace). Feel the stillpoint of Peace.

As long as we don't cleanse the Earth, we are a part of the pollution.
Be peace. Be light. Be awake.

We are a part of the clean-up crew. We will appreciate the magnitude of the work.
